Notice to Purchasers

We use the greatest care to have our stock reliable and true to name, and will on proper proof, replace anything that may not prove true to name. We do not give any warranty. It is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible, from any cause, for more than the original cost of the trees.

We have had 25 years' experience in growing fruit and have 100 acres in fruit and nursery stock. Practically all our nursery stock is budded and grafted from our own bearing trees.
